KRACKER JAX REVEALED/BOOK ONE

Kracker Jax users can now be found in every state in the USA, and in many other countries as well. These satisfied customers are helping us prove what we've said all along: Kracker Jax is the most advanced and effective archival system on the market today!

Ever since we first began producing Kracker Jax parameters, we've been swamped with requests for "inside" information. People want to know just how we go about creating a custom parameter. They want to know how we can not only copy a program, but actually unprotect it in the process. In other words, they want our trade secrets. Well, we've done something about it.

Kracker Jax Revealed is an important new product for those of you who want to venture beyond the boundries of your present knowledge. The first in an ongoing series, Book One will introduce you to the unique concepts used by Kracker Jax. It will show you, step-by-step, EXACTLY how Kracker Jax works. Book One contains specific tutorials on the following titles:

Buckaroo Banzai™	Adventure International™
Countdown to Shutdown™	Activision™
Gulf Strike™	Avalon Hill™
Impossible Mission™	Epyx™
Infiltrator™	Mindscape™
Pitstop II™	Epyx™
Print Shop Companion™	Broderbund™
Superbowl Sunday™	Avalon Hill™
Tapper™	Bally™
Web Dimension™	Activision™

These are only half of the tutorials included in Book One. We'll examine, in detail, a total of 20 programs covering a variety of copy protection schemes now being used to try and deprive you of your right to make back up copies of your expensive software. Now that hard drive and 3.5 inch drive options are becoming available for Commodore owners, it's even more important to be able to defeat these restrictive protection schemes-in most cases, only UN-protected programs can be ported over to these fantastic new peripherals.

When you order Book One, you'll receive the following items: Kracker Jax Revealed/Book One; a disk containing all 20 parameters as well as a machine language monitor, sector editor, error scanner, and more; a reset switch that plugs into the expansion port of your computer.

All this for only \$23.50.

Please allow 2 weeks for delivery.

Orders outside of North America must add \$7.50 for shipping!

Kracker Jax Revealed: BOOK II

MORE INFORMATION ABOUT COPY PROTECTION FROM THE EXPERTS!

Our knowledge of protection schemes has made us famous. And in response to a nationwide poll of *Kracker Jax Revealed Book I* readers, we've put together those requests to bring to you **KRACKER JAX REVEALED: BOOK II**. Our latest release in a series of tutorial guides designed to instruct you in the fascinating areas of copy protection schemes and how to defeat them.

BOOK II continues the tradition which began with the original: with nothing more than a basic grasp of machine language, you can learn to control some of the newest, most advanced copy protection routines on the market today! Here's some of what you'll get with BOOK II:

Specific tutorials on the following:

Aliens TM	Activision TM
Titanic TM	Activision TM
Express Raider TM	DataEast TM
Breakthrough TM	DataEast TM
Colossus Chess IV TM	Firebird TM
Falkland '82 TM	Firebird TM
Leaderboard Golf TM	Access TM
Tenth Frame TM	Access TM
Geos TM V1.2	Berkeley TM
Deskpak I TM	Berkeley TM

* PLUS 10 MORE! *

The 20 tutorials selected for *Kracker Jax Book II* explore, in depth, a wide variety of the latest protection schemes in use today. With step-by-step instructions we will show you **EXACTLY** how *Kracker Jax* handles this copy protection in the creation of our famous custom parameters. Remember, *Kracker Jax* parameters not only copy a program, but actually un-protect it in the process.

YOU'LL ALSO RECEIVE:

- An enhanced, all new utility disk with 20 new parameters!
- The famous *Rapidlok*TM copy system **REVEALED!** (you "techies" will LOVE this section!)
- **EXTRA BONUS**-The legendary *Hes Mon*TM Machine Language Monitor cartridge!

Don't be intimidated by complex protection routines. Learn how to take control of your expensive software. After all,

KNOWLEDGE IS POWER.

Please allow 2 weeks for delivery.
